Mitigating Cyber Risk with Zero Trust

Brought to you by

F::RTINET

Thursday, 20th August 2020 | 11:30am - 12:30pm (Singapore time)

In the last couple of months, with the ongoing pandemic, employees of organisations, whether large or small were required to change the way they work.

Organisations would still need to comply with regulations, mitigating cyber risk at the same time stay competitive.

This webinar the panel of experts will examine how:

- Zero Trust can prevent cyber crisis
- Steps you need to take if there is a breach and what are the legal implications
- Cyber Security knowledge you need to know to prevent data breach
